

-SAVE THE DATE- Traffic Signal Seminars

What?

Come learn about the design, construction, operation and maintenance of traffic signals and traffic safety related systems. FREE 2 day seminar for engineers, technicians and contractors.

Come learn about our new **GRIDSMART** single camera video detection camera system!

Where?

We are located in Spencer, Iowa. Come meet the General Traffic Controls staff and enjoy snacks and refreshments. A lunch will be provided.

When?

As of now, we have January 9th & 10th, 2018 and January 23rd & 24th, 2018. More dates will be added as seminars fill up. Come for 1 day or both!!

RSVP
